Viewpoint 4 - Taken from Cuthedge Lane, looking south-west towards the site. Stack at 85m AOD as permitted (35m above the surrounding ground level of 50m AOD).
 Note: Regardless of proposed landform and planting associated with restoration of quarry.

Viewpoint 4 - Taken from Cuthedge Lane, looking south-west towards the site. Stack at 108m AOD (58m above the surrounding ground level of 50m AOD).
 Note: Regardless of proposed landform and planting associated with restoration of quarry.

Note: The existing viewpoint was taken at original ground level at the inside toe of a temporary bund around the Bradwell Quarry, which limits existing views into the site. Owing to the presence of the screening bund, the baseline view is not publicly accessible from the public footpath and Cuthedge Lane.
