Dear Sir or Madam

**Your new environmental permit**

**Permit reference: EPR/FP3335YU/A001**

**Operator name: Gent Fairhead & Co. Limited**

**Facility name: Rivenhall Integrated Waste Management Facility**

Our determination of your application for a permit is complete. We are satisfied that you can carry out your activities in accordance with the enclosed permit, without harm to the environment or human health. Please keep the permit in a safe place.

This letter contains web links to other documents. If you are not able to access these phone our Customer Contact Centre for help on 03708 506 506.

Please look at the table below and note any of the things that apply to your permit.

If...	then..
you plan to keep your records at a site other than where the activity takes place	you need to let us know within 20 working days of receiving this letter.
your permit includes pre-operational or improvement conditions	check the deadlines for completing measures and make sure you carry them out by the times stated.
your permit includes standard rules	We have enclosed the rules set/s. We may change these in future but will let you know about any changes. You must make sure you're always following the latest rules set.
You are carrying out a waste operation or activity and need to submit quarterly waste returns on waste movements <b>Note:</b> This does not apply to permits that only have stand alone water discharge or groundwater activities.	you can get the forms you need from our website <a href="https://www.gov.uk/government/collections/national-operator-waste-returns">https://www.gov.uk/government/collections/national-operator-waste-returns</a> When you complete your return use the waste returns reference above.
your permit includes an installation	we enclose a legal notice and information about reporting to the Pollution Inventory.
you need to submit other returns	send these to your area office. Speak to your area officer to check local arrangements.

Read the following guides to find out more about complying with your permit:

[www.gov.uk/guidance/develop-a-management-system-environmental-permits](http://www.gov.uk/guidance/develop-a-management-system-environmental-permits)

[www.gov.uk/guidance/control-and-monitor-emissions-for-your-environmental-permit](http://www.gov.uk/guidance/control-and-monitor-emissions-for-your-environmental-permit)

[www.gov.uk/guidance/legal-operator-and-competence-requirements-environmental-permits](http://www.gov.uk/guidance/legal-operator-and-competence-requirements-environmental-permits)

There is an annual subsistence charge for your permit unless:

- your permit is only for discharges of sewage effluent where the maximum daily volume of discharge permitted is five cubic metres or less (this does not apply to trade effluent or any other type of discharge)
- or your permit is only for mobile plant, instead we will charge for each deployment.

The annual charge is due on demand in the year that we issue the permit and then on 1 April each year. The charge starts from the date we authorise the permit, unless there is a condition relating to a standalone water discharge which states a later start date. In that case we will charge for the discharge from the start date. If you need to know more about the subsistence charge please look at the charging guidance on our website at
